TO-DAY'S SCHEDULE.

16th St. and Pennsylvania Ave. Washington, Aug. 12.-The St. Louis team opened its last Eastern trip to-day with a victory over the Senators, the score being The Browns gave positive evidence that they are out for the pennant from the way they continually coached the runners, foliled the pitcher and kicked in no mild terms on every decision that seemed to favor the Washingtons. They played good

Ball, not a misplay marring their work. When the game started Carey went to first base for the Senators, but his injured wrist bothered him so much that he Young Smith Batfed Out of the Box in had to retire, Delehanty relieving him, and Lee going into left field. The latter had but trotted into his position when he made League team celebrated its home coming l a phenomenal catch of Anderson's foul fly by beating Cleveland handly. Smith, the and a moment later retired the side on another catch almost as hard, against the left field fence, from McCormick's bat. These were the two bright spots in the Senutors' game,

Heidrick's Long Hit.

Powell and Carrick were on the rubber for their respective teams and both were hit fairly hard, the Browns starting off in the first funing. Burkett hit into right center for a triple and Heidrick hit one into left for the same number of bases, the into left for the same number of bases, the oall striking the top of the fence and bounding back into the field. Hemphili filed out to Delehanty, but Anderson's single into left scored Heldrick.

In the fourth Anderson doubled and went to third on Waliace's sacrifice. McCormick's single sent "Big John" home. In the lifth Washington got its first run, Coughlin leading off with a double and scoring on two successive outs at first.

In the seventh both did business, St. Louis getting three runs and the Senators two. With one out Sugden was safe on Carrick's error and Powell got a base on balls. Burkett singled, filling the bases. Heldrick flied out to right, scoring Sugden, and Hemphill's hit into center sent Powell and Burkett over the rubber.

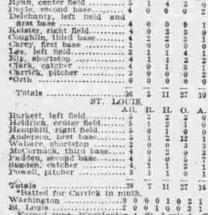

In the cighth with two out singles by Sugden and Fowell scored Padden, making the Browns' seventh and lest run

Sugden and Powell scored Padden, making the Browns' seventh and last run. Washington made one run in the eighth and another in the ninth.

The infield work of Anderson, Padden, Wallace and McCormick was of the clock-like variety, and nothing but real base hits got by them, "Brainy Dick" accepting twelve chances without a slip.

SCHEDULE FAVORS THE BROWNS. St. Louis Team Has Good Chance to

Judging from their start at Washington yesterday the Browns are going to fulfill the predictions of their friends by getting an even break or better in the East. The an even break or better in the East. The records show that the St. Louis team has been improving as a road team-in fact some of their best performances this year have been on foreign soit. The Browns are in first place to-day. They may drop to-morrow. In Washington yesterday the Mc-Aleerites put up a superb exhibition, and with good pitching they should be able to take to-day's and to-morrow's game from the Senators.

As was predicted, the Boston and Phila-delphia clubs are playing great ball on their own grounds. So close is the race among the top-notchers that Boston, though win-ning yesterday, dropped to fourth place. The double victory at Philadelphia put the Athletics up next to Chicago.

If the White Sox make as poor a record If the White Sox make as poor a record as they did the last time they were East they will have to work hard to recover lost ground when they get back to Chicago. Barring the first trip, the Comiskeyites have not proved formidable away from home and there was no fluke about their defeat at Boston yesterday. True, the Browns dropped three straight at the Hub, but all of them were close games and not until the last man was out was the game ended. Yesterday the White Sox falled to get a run.

Either Frank Donahue or Willie Sudhoff will pitch to-day's game. Donahue will also pitch one of the Baltimore games, and when the Browns go to Philadelphia he will I when the Browns go to Philadelphia he will depart for Boston, as Pennsylvania climate is not to his liking. The chances are that Harry Kane will, not be put in any of the games before the Browns reach Boston unless he is called on to finish out for some of the other pitchers. McAleer intends to mit Kane against Cy Young, and should "Klondyke" win his game against the veteran it will be quite a feather in his can.

To-day the Western clubs in the National To-day the Western clubs in the National League wind up their second Eastern campaign. The Cardinals will try to make it three straight from Philadelphia, and will work the O'Neill battery with that end in view. To-morrow the eight clubs will be on the road and Saturday the Donovanites open at home with Brocklyn.

The following extract from the New York Tribune regarding the contemplated retirement of Colonel John I. Rogers from the Philadelphia National League club, seems almost too good to be true:

"The troubles of the Paliadelphia club have been partially settled by the dissolution of the partnership which has existed between John I. Rogers and Albert Reach for so many years. Rogers, who is the lawyer of the league, has sold out his interest in the Philadelpha club to Mr. Reach, and it is expected that some of the troublesome controversies in that city will be settled."

LIVELY BETTING ON FIGHT.

Men Matched to Box Before the West End Club.

Abe Goodman and Johnny Regan have been rematched by Charles Haughton of the West End Club and will meet before that body Monday evening, August Zi, in a fifteen round bout at 115 pounds. Regan has returned to the city and was offered the fight yesterday by Haughton, prior to the latter sending a message to Feltz Regan accepted at once and the bout was clinched.

As stated in yesterday's Republic, it was at first proposed to hold a three-cornered series with Feltz Goodman and Regan as participants, the winner being scheduled for the somewhat hazy prospect of getting a match with Forbes.

This three-cornered arrangement was dependent upon Regan's condition, as it was not known whether he could get into trim in time to fight within a week or two. His manager, Jack McKenha, stated that he has entirely recovered from his malaria, however, and that he will be in trim for a hard fight by a week from next Monday. So he over, and that he will be in trim for a hard fight by a week from next Monday. So he was put on at once with Goodman.

This arrangement may or may not cut Feltz out of a fight here. The Savannah boxer made a rather favorable impression while in St. Louis, and he may be given a chance against the winner of the Goodman-Regan fight. This point has not been definitely settled, however.

Missouri Pacific Report.

REPUBLIC SPECIAL.

St. Paul, Minn., Aug. 12.—General Traffic Manager J. H. Hiland of the St. Paul Railroad stated to-day that he knew nothing of the reported traffic agreement between the Chicago, Milwaukee and St. Paul and Missouri Pacific. Mr. Hiland said:

"There has been no intimation in the traffic department of any such alliance, and we would be about the first department to know directly, if it was effected for the control of the traffic, and the putting into effect of new arrangements would naturally come through the department over which I preside. There are dozens of these reported mergers every day and I take little stock in this one."

It is understood the traffic officials will not seek to avoid a full investigation, helieving the ruling of the commission regarding the matter made in 1886 is not legal. They will further assume the position that the reduction in packing-house rates was forced upon them. Stock Rate Cutting.
